Notices

Assemblies – In this week's assemblies pupils have been learning about further inspirational women nominated for our new house system.

Value of the month – This month our value is changed. Please discuss this value with your daughter. To support use these links to view the [poster](#) and [30 days of Change](#).

Free School Meals– There are many advantages to claiming free school meals. Firstly, it can ensure your daughter receives a healthy meal during the school lunch break. Additionally, our school receives important additional funding to support the learning of our pupils on free school meals. This funding is used in a variety of ways, examples include additional targeted support and mentoring, assistance with educational visit costs, access to online study resources and books. [Click here](#) to find out if your daughter is eligible for free school meals. To complete an online application form visit: www.cloudforedu.org.uk/ofsm/birmingham/apply.

Do We Have the Correct Contact Information? – We have introduced a new system for parental communications called School Gateway. It is our intention that all school related communication including school closure notifications, bulletins, newsletters, reports, timetables, attendance figures and out-of-hours-learning bookings will be distributed using School Gateway. There are many advantages to using School Gateway, which includes an app that can be installed on your smart phone. In order to use the app it is essential that you supply the school with your current **email address and mobile telephone number**. Letters were sent in December that included your contact information. Please either return the response slip or email enquiry@hodgehgs.bham.sch.uk including the name and form group for all your children alongside your email and mobile telephone number, so that we can ensure that our records are correct.

Hodge Hill Girls' School
Bromford Road
Birmingham
B36 8EY

Year 9 Curriculum Evening – It is our Year 9 Curriculum Evening on Monday 20th January. This is a very important opportunity for you to learn more about the various study options available for your daughter. A copy of the letter is available on [this link](#). Please ensure that the response slip is returned to Mrs Kennie by Tuesday 14th January.

Countdown to GCSEs: Preparing to Succeed – It is now **14** weeks until the first of the exams begins. Our MFL speaking exams begin on 21st April, with Art, Craft and Design beginning 28th April, Photography 29th April and Drama week commencing 4th May and on 11th May is the first RS exam.

GCSE Preparation Target of the Week – Pupils should be asking their class teachers what they will need to revise for their upcoming second series of mock examinations which begin on Monday 24th February. Pupils will receive their own personal timetables shortly.

Astronomy in the City – The University of Birmingham hosts a number of lectures which are free of charge and open to the public. Their next lecture is Astronomy in the City will take place on Wednesday 29th of January.

More information are available on the following links: [Information](#) and [tickets](#).

Attendance – Congratulations to Year 7, who have enjoyed early lunches in recognition of their excellent attendance during the previous week.

Out of Hours Learning – Our out of hours learning programme has started on Monday 13th January. For more information pupils should see the relevant subject teacher, who will also provide the appropriate consent form. Please ensure that consent forms are returned to school as soon as possible. Pupils should post their completed consent forms in the pupil post box on the ground floor.

A summary of the ‘Out of Hours’ learning opportunities currently available is on [this link](#). Please note that while many of our clubs are running every week, some clubs are only open either week A or Week B. Our Out of Hours Learning opportunities are continually reviewed, which may result in changes to this list.

Earphones/Headphones – It is advantageous for your daughter to bring headphones to school. This will ensure that she can listen to the audio in programmes such as GCSE Pod, Hegarty Maths and Maths Whizz in our IT suites during lessons, lunchtime clubs and our Homework Club.

Job of the week for Citizenship – This weeks career of the week is being a member of the Royal Navy. Click on [this link](#) to see all the different opportunities that are available to you if you join the Royal Navy and the great careers they have.

If you are or any family members work within a civil service job, please get in contact with Mrs Barron at: <mailto:s.barron@hodgehgs.bham.sch.uk> as she would love for you to come into school to speak to students about your jobs and careers in the service.

GCSE Pod – Pupils have been very busy using GCSE Pod again during the last week; 708 pods have been accessed with History, English Literature and English Language the most watched subjects. We have moved up to 2nd place – out of 96 – in the GCSE Pod league for schools of our size in our region, with an average of 28.07 pods having been watched per KS4 pupil since 1st November.

Year	GCSE Pod Active Users	Use of GCSE POD
Year 7	76%	93 pods have been watched with English Literature, English Language and History the most popular.
Year 8	91%	55 pods were watched in English Literature.
Year 9	96%	142 pods watched with Maths, English Literature and English Language the most popular subjects.
Year 10	97%	202 pods, most popular subjects are English Literature, History, English Language.
Year 11	97%	406 pods, History, Chemistry and English Literature the most popular subjects.

Please encourage your daughter to continue to use GCSE Pod. It is a great resource to help to consolidate learning from this term or prepare for future learning.

Tassomai –The Science Faculty are using the Tassomai software programme as homework for all pupils this year. This is an app that generates exam questions tailored to each pupil's individual needs and to support her learning. Please ensure your daughter has registered her account and is completing tasks daily.

We urge you to monitor your daughter's usage regularly to support better progress in Science. Your daughter can speak to her Science teacher or Dr Malik if there are any problems.

Hegarty Maths –This is an online resource used by the Maths Faculty as part of its homework setting programme. Each week your daughter will be guided towards certain “clips” and work for her to complete. However, Hegarty Maths is not restricted to the teacher set homework. Hegarty Maths can be searched for video/animated clips on virtually all the topics within the GCSE maths course. Pupils can watch video clips and learn how to tackle a maths topic with step by step instructions. Pupils can then practice what they have learnt with a short test that will rate their competence on that topic. The target for success is 80%+. Parents are recommended to take a look at their daughter's tests/classwork books and encourage them to search Hegarty Maths for any topic that they are struggling with.

Maths Whizz – Maths Whizz is an award-winning online tutor that is used by pupils in Year 7. Maths Whizz accelerates learning, builds confidence and helps our pupils to reach their potential in maths through educational online maths games. It is recommended that all pupils in Year 7 complete 45 minutes on Maths Whizz as part of their weekly Maths homework. How is your daughter doing? Please remember that pupils do have access to computers in school at lunchtimes and at our Homework Club, which pupils can sign up for. Additional IT access is now available for Year 7 to use Maths Whizz in ICT1 at lunchtime on Wednesdays. Many thanks for your continuing support.

Physics Evening Lectures – The Institute of Physics at the University of Birmingham offers a number of evening lectures which are open to the general public and may be of particular interest to families wanting to widen their learning opportunities in science; please follow [this link](#) to find out more.

English Literature – Tickets are on sale for a dramatisation of Jekyll and Hyde at the Old Rep Theatre, Birmingham from Wednesday 26 February to Friday 28 February 2020. This is one of texts that some of our pupils study as part of their English Literature Curriculum. Watching a theatrical performance can help pupils to develop their understanding and knowledge of the text. Tickets and more information is available on [this link](#).

Memories, the 30th Young Art Exhibition at the Royal College of Art – Pupils are invited to submit oil, watercolour, acrylic, pastel, crayon, pencil or ink original work for the Art, Drawing and Printmaking Competitions. All entries must be submitted with a donation of £2.00 for Research into Childhood Cancers. The competition rules are available on [this link](#). The closing date of this competition is Friday 24th January, which will be followed by judging in February and a proportion of each school's entries will form an exhibition from 28th April to 1st May. More information is available on [this link](#) and from the Art Department.

Never Such Innocence Project – This is a competition we have taken part in before that invites young people to create a piece of art which reflects on conflict and it's affects. If pupils would like to enter the Christmas Holiday is the ideal time to create a piece of artwork. Pupils should write the title of the work, their name, age and form on the back and then hand it to the Art Department. More information is available on [this link](#).

New fund created to help Birmingham girls who 'dare to dream'– There is a new fund to help the next generation of fearless females pursue their ambitions and dreams was launched by Birmingham City Council and the Lord Mayor of Birmingham's Charity on Monday, 14 October 2019. Birmingham girls aged under 16 can now apply for grants of up to £250 to support their own academic or career dreams. This can be for an activity, course, books, equipment or help in accessing work experience (e.g. travel costs). Applicants must live in Birmingham and be in education or training in the city. All bids have to be supported by two nominating adults (including a teacher). More information and an online application form is available on [this link](#).

EU Settlement Scheme - All EU citizens and their family members must apply to the EU Settlement Scheme to continue living in the UK after 31 December 2020. The EU Settlement Scheme gives EU citizens the

immigration status they need to continue to live, work and study in the UK. More information is available at <https://www.gov.uk/settled-status-eu-citizens-families>

Forthcoming community events of interest

Czech Innovation Expo (CIE) exhibition at the Library of Birmingham – 16th October to 28th February. This is an interactive exhibition that would appeal to pupils interested in Science and/or technology. It introduces prominent scientists, thinkers and innovators, whose essential discoveries and inventions have influenced the lives of people around the world, through state-of-the-art technologies and virtual reality. More information is available on [this link](#).

The New Art Gallery Walsall– 15th November 2019 to 19th April 2020. There is a free exhibition that brings together three photographers, Arpita Shah, Maryam Wahid and Nilupa Yasmin to present new and existing work focused around portraiture, culture and female identity. More information is available on [this link](#).

Dressed to the Nines at Birmingham Museum and Art Gallery– 7th December to 4th September 2020, this is an exhibition about dressing up and going out from around 1850 to the present day. It is an opportunity to see the changes that have occurred in the types of clothing that are worn for special occasions, textiles and fabrics used, where these clothes are purchased from and the kinds of events they are worn at. More information is available on [this link](#).

Ikon Gallery Family Saturday –1st February, 12:00 noon to 4:00pm, an excellent opportunity to be creative and spend some time making and experimenting. More information is available on [this link](#).

College and Sixth Form Open Evenings

This is a list of the open events for some of the colleges and sixth forms our pupils have visited or joined in previous years. Please note that it is not a complete list and should be supplemented by independent research. It is recommended that pupils apply for more than one course, to ensure they have suitable choices when examination results are known.
