20th March 2020

Dear Parents/Carers

From Monday 23rd March 2020 the majority of pupils will remain at home as part of the forced government closure of schools.

During this time your daughter will be able to access work each day via 'Classcharts'. Parents and pupils have all been issued with a login.

We realise that many of our pupils will miss the structure of the school day and may have concerns around recent events. We have added a safeguarding page to our website with links to support your daughter. In addition, school will make contact with your daughter by phone in the coming weeks. We aim to continue with our weekly bulletin during the closure.

Please ensure that you have downloaded the Gateway app and logged on before the closure to receive updates from the school. Contact the school as a priority if your contact details have changed.

The government has cancelled any forthcoming exams in May and June and will be providing further information for Year 11 pupils.

Further information will be sent out today about free school meals and to any families who qualify as a Keyworker as defined by the government. It is essential that you have responded to the surveys as distributed on the school website.

If you have any concerns, please contact the school. As with all organisations we will not have all staff in school, but we will do our best to support. Regular communication will be sent via School Gateway and the website.

Thank you for your ongoing support. We wish all our pupils and families well.

Yours sincerely

Mrs S Adu
Headteacher
